Vacancy: Community Pharmacy Integrated Neighbourhood Teams Ambassador

Funding has been allocated to support the integration of Community Pharmacy into Integrated Neighbourhood Teams (INTs). Five Ambassadors/Leads are being sought—one each for Coventry, North Warwickshire & Rugby, South Warwickshire, Worcestershire, and Herefordshire.

Each Ambassador should be able to commit to approximately three days (21 hours) per month, for a period of at least six months and up to twelve months. There is flexibility for candidates who can offer only two days per month. Due to the number of INTs, Worcestershire may require additional support, which will be reviewed as needed. Ambassadors are expected to provide their own laptop and phone.

Reporting will be to an agreed Lead on behalf of CPA and CPHW. The aim is to recruit and start in March 2026, with induction, planning, and training sessions—both in-person and via MS Teams—scheduled for March before Ambassadors begin engaging with their local teams.

The full job description, person specification and the application process can be found on the link below:
